MOTIF LCR

By combining appealing design, genuine materials and excellence in driver- and speaker development, you get a high performance loudspeaker for on-wall mounting by choosing the MOTIF LCR. The speaker can be used both for stereo or multi channel setups - even as a center channel speaker.

DALI MOTIF LCR comes with a patent pending wall bracket, which makes connectivity and correct polarity very easy, no matter how the speaker is mounted. Early 2008 there will dedicated floor and table stands available.

MOTIF LCR is a versatile loudspeaker, which fits a modern lifestyle, where high performance and a compact form factor is in quest.

Click'n'Connect

No cables, no connectors, no hassle – just use the Click'n'Connect wall bracket that is delivered with the speaker. Mounted on the
