

CUB² JET BLACK

Product specification sheet

Black Nextel finishing.

MDF structure for very low vibrations and resonances.

Focal logo

New front port. Aerodynamic profil.
Reduced distortion.

Amplifier, high efficiency BASH[®]
digital amplifier for deep and dynamic bass.

Woofer 8" (21 cm) Polyflex cone.
High power handling. High X-max.

- ◆ Exceptional performances in ultra compact size.
- ◆ High efficiency, high power, BASH™ amplifier.

- ◆ Aerodynamic port for optimal performance.
- ◆ 8" high power.

Type	Active bass-reflex subwoofer
Driver	8" (21cm) Polyflex woofer
Frequency response (+/- 3dB)	40Hz - 150Hz
Low frequency point (- 6dB)	32Hz
Subwoofer features	Variable crossover 50Hz to 150Hz, phase inverter 0°/180°, Autopower, high/low level input, LFE input
Recommended amplifier power	150W BASH [®] amplifier
Dimensions (HxWxD)	13 ¹ / ₆ "x11 ¹³ / ₁₆ "x11 ¹³ / ₁₆ " {333x300x300mm}
Net weight	22.2lbs {11kg}

Thanks to its 8" (21cm) woofer, 150W BASH[®] amplifier and a new generation port, the Cub² possesses unlimited resources for its small size. It is the natural complement to the speakers of the Sib & Co line for a marriage of integration and performance.
